Partner's Feedback

In April 2023, I opened my first Samyak franchise in Gurgaon Sector 14, and the students there responded well. Thanks to the Samyak team's outstanding support, I saw a return on investment in just four months. By October 2023, I had opened a second franchise in Dwarka, Delhi, to great response and flourishing business with Samyak's help. I recently opened my third franchise in Gurgaon's Badshahpur. All things considered, working with Samyak has changed my business and made a big difference in my success.

Ms. Arpita From Delhi, Gurgaon

The response from students was positive when I opened my first Samyak franchise in Kota Talwandi in 2020. The Samyak team provided excellent support, allowing me to see a return on investment in just 4 months. With Samyak's help, business flourished at my second franchise, which I opened in Gumanpura Kota, by October 2021. The response was extremely positive. In Kota Borkheda, I opened my third franchise in 2023. All things considered, my business and success have been greatly impacted by my partnership with Samyak. Recently I open my Fourth franchise at Station Road Kota at 2024.

Ms. Krishana From Kota Raj.

In February 2024, I opened the first Samyak Computer Classes franchise in Alwar. I told friends and relatives about my desire to launch a second franchise after getting great response from the pupils. Despite their warning that I would have to invest my own funds, I was not deterred by their perspective. I had faith in myself and in Samyak. I profitably launched a second franchise in Sikar in April 2024 without having to pay for it with any of my own money.

This disproved the opinions of people who questioned me, particularly those in the industry who said I would need to invest my own money for a very long time. I'm happy to announce that in August 2024, I opened my third franchise at Alwar.

Ms. Mamta From Alwar, Sikar Raj.
