Success Story

With over three decades of experience, our Founder, **Mr. Manish Mittal**, embodies the spirit of a visionary who blends corporate excellence with a deep commitment to nation-building. His early career spanned global technology giants like **HP, Oracle, Avaya, and Symantec**, where he led **innovation, managed international teams, and mastered both technical and managerial roles** — even mentoring professionals through corporate training programs.

Yet, amidst this success, he witnessed a growing gap between what education offered and what industries truly demanded. Driven by purpose, he chose to move from Boardrooms to Bharat, dedicating himself to empowering youth through skill-based education.

For over **12+ years**, he has pioneered the establishment of **Skill development centers across India, creating opportunities for thousands to learn, grow, and secure meaningful employment**. His belief is simple yet powerful — True learning happens through doing. At Samyak, students learn by working on live projects, guided by experienced mentors who prepare them for real-world challenges.

Under his leadership, Samyak isn't just a training institute it's a movement that bridges the gap between ***Education and Employability***, ensuring every learner becomes industry-ready and confident to succeed.

Because at Samyak, we believe — *Knowledge builds the nation.*

Mr. Manish Mittal
Chairman &
Managing Director

Mr. Bhawin Mittal – Technology Leader | Industry Mentor | Global Career Catalyst Mr. Bhawin Mittal is a **Software Engineer & Cloud Architect at Google, San Francisco**. A Purdue University graduate in Computer Science, he has worked with global leaders like **AWS and Amazon Alexa on cloud, automation, and AI solutions**. As Technical Director at Samyak Computer Classes, he connects global industry standards with **local talent, strengthening curriculum, corporate tie-ups, and placements**.

His mentorship equips students with practical **skills, global exposure, & career-ready training**.

“My vision is to transform education into employability and build future-ready talent.”

Mr. Bhawin Mittal
Technical Director

Mr. Girish Goyal brings 25+ years of professional experience across customer-centric industries including **telecommunications, consultancy, infrastructure, and managed network services**. He currently serves as COO – **Franchise Business & Strategy Implementation at Samyak**. He drives strategic growth, operational excellence, and franchise expansion. His expertise spans business development, sales, marketing, and operations. He has built high-performing teams and **led impactful cross-functional initiatives**. **Passionate about technology-driven transformation**, he delivers sustainable **growth and customer value**.

The Challenges

- 80%+ graduates remain jobless or underemployed.
- Education still values theory over practice.
- Outdated syllabus widens the skill gap.
- Little exposure to real projects or tools.

The Solution

- Learn by doing — practical training from day one.
- Industry-designed courses for real jobs.
- Build technical & soft skills to get job-ready.
- NEP 2020 aligned — skill-based learning from the start.

Samyak provides end to end support to Franchise Partners for student's admission to abroad universities.

- ◆ As of 2025, approximately 1.6 million Indian students are studying abroad, marking a dramatic increase from 1.3 million in 2023. This number is projected to surpass 2.5 million students by 2030.
- ◆ Earning potential for franchise partner per student as a consultancy fee from university INR 80,000 to 2 lakhs per application

The United States has emerged as the top destination, hosting 331,602 Indian students with a remarkable 23% year-over-year growth in 2024, surpassing China as the leading source of international students. Canada follows with 137,608 students, the UK with 98,890, and growing interest in Germany (49,483 students) due to low or no tuition fees. Interestingly, emerging destinations like Ireland (+37% growth), New Zealand (+40% growth), and countries like Uzbekistan (nearly 10,000 students in 2024 vs 300 in 2019) are gaining traction, offering consultancies opportunities to diversify their portfolios.

Partner's Success Story

“I was searching for a Good Business model with a reliable brand in education, and that's where I landed to SAMYAK. I started my first office in 12 June 2025 in Lucknow, seeing Good Results and Support from SAMYAK. „

Mr. Anuj Sachan | Lucknow

“In July 2024, I launched my first Samyak franchise in Preet Vihar, and the student response was overwhelming. Thanks to the exceptional support from the Samyak team, I recovered my investment within just one year. Encouraged by this success, I opened my second franchise in Surya Nagar, Delhi, in June 2025, which also received an Incredible response and grew rapidly with Samyak's continued guidance. Their proven system, training, and brand strength truly make a difference.,,

Mr. Sandeep | Shahdara | Surya Nagar, Delhi

“In February 2024, I opened the first Samyak Computer Classes franchise in Alwar. I told friends and relatives about my desire to launch a second franchise after getting great response from the pupils. Despite their warning that I would have to invest my own funds, I was not deterred by their perspective. I had faith in myself and in Samyak. I profitably launched a second franchise in Sikar in April 2024 without having to pay for it with any of my own money. This disproved the opinions of people who questioned me, particularly those in the industry who said I would need to invest my own money for a very long time. I'm happy to announce that in August 2024, I opened my third franchise at Alwar. Now Starting 2 More Branches in Udaipur in May 2025.,,

Ms. Mamta | Alwar, Sikar, Ajmer, Udaipur Raj.

“The response from students was positive when I opened my first Samyak franchise in Kota Talwandi in 2020. The Samyak team provided excellent support, allowing me to see a return on investment in just 4 months. With Samyak's help, business flourished at my second franchise, which I opened in Gumanpura Kota, by October 2021. The response was extremely positive. In Kota Borkheda, I opened my third franchise in 2023. All things considered, my business and success have been greatly impacted by my partnership with Samyak. Recently I open my Fourth franchise at Station Road Kota at 2024.,,

Ms. Krishna | Kota (4 Branches)

“In April 2022, I opened my first Samyak franchise in Gurgaon Sector 14, and the students there responded well. Thanks to the Samyak team's outstanding support, I saw a return on investment in just four months. By October 2023, I had opened a second franchise in Dwarka, Delhi, to great response and flourishing business with Samyak's help. I opened my third franchise in Gurgaon's Badshahpur by Aug 2024. All things considered, working with Samyak has changed my business and made a big difference in my success.,,
