Success Story

With over three decades of experience, our Founder, **Mr. Manish Mittal**, embodies the spirit of a visionary who blends corporate excellence with a deep commitment to nation-building. His early career spanned global technology giants like **HP, Oracle, Avaya, and Symantec**, where he led **innovation, managed international teams, and mastered both technical and managerial roles** — even mentoring professionals through corporate training programs.

Yet, amidst this success, he witnessed a growing gap between what education offered and what industries truly demanded. Driven by purpose, he chose to move from Boardrooms to Bharat, dedicating himself to empowering youth through skill-based education.

For over **12+ years**, he has pioneered the establishment of **Skill development centers across India, creating opportunities for thousands to learn, grow, and secure meaningful employment**. His belief is simple yet powerful — True learning happens through doing. At Samyak, students learn by working on live projects, guided by experienced mentors who prepare them for real-world challenges.

Under his leadership, Samyak isn't just a training institute it's a movement that bridges the gap between ***Education and Employability***, ensuring every learner becomes industry-ready and confident to succeed. **Because at Samyak, we believe — *Knowledge builds the nation.***
