Success Story

With over three decades of experience, our Founder, **Mr. Manish Mittal**, embodies the spirit of a visionary who blends corporate excellence with a deep commitment to nation-building. His early career spanned global technology giants like **HP, Oracle, Avaya, and Symantec**, where he led **innovation, managed international teams, and mastered both technical and managerial roles** — even mentoring professionals through corporate training programs.

Yet, amidst this success, he witnessed a growing gap between what education offered and what industries truly demanded. Driven by purpose, he chose to move from Boardrooms to Bharat, dedicating himself to empowering youth through skill-based education.

For over **12+ years**, he has pioneered the establishment of **Skill development centers across India, creating opportunities for thousands to learn, grow, and secure meaningful employment**. His belief is simple yet powerful — True learning happens through doing. At Samyak, students learn by working on live projects, guided by experienced mentors who prepare them for real-world challenges.

Under his leadership, Samyak isn't just a training institute it's a movement that bridges the gap between ***Education and Employability***, ensuring every learner becomes industry-ready and confident to succeed.

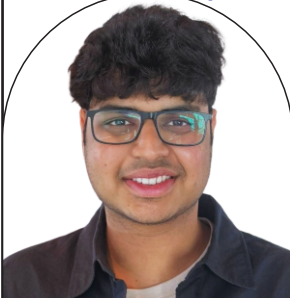

Because at Samyak, we believe — *Knowledge builds the nation.*

Partner's Success Story

"In April 2022, I opened my first Samyak franchise in Gurgaon Sector 14, and the students there responded well. Thanks to the Samyak team's outstanding support, I saw a return on investment in just four months. By October 2023, I had opened a second franchise in Dwarka, Delhi, to great response and flourishing business with Samyak's help. I opened my third franchise in Gurgaon's Badshahpur by Aug 2024. I opened my 4th franchise in Dehradun after successfully running three branches shows strong entrepreneurial growth and confidence in the Samyak brand."

Ms. Arpita | Sector 14, Gurgaon | Dwarka, Delhi | Gurgaon, Badshahpur | Dehradun

"In February 2024, I opened the first Samyak Computer Classes franchise in Alwar. I told friends and relatives about my desire to launch a second franchise after getting great response from the pupils. Despite their warning that I would have to invest my own funds, I was not deterred by their perspective. I had faith in myself and in Samyak. I profitably launched a second franchise in Sikar in April 2024 without having to pay for it with any of my own money. This disproved the opinions of people who questioned me, particularly those in the industry who said I would need to invest my own money for a very long time. I'm happy to announce that in August 2024, I opened my third franchise at Alwar. Now Starting 2 More Branches in Udaipur in May 2025.,,"

Ms. Mamta | Alwar, Sikar, Ajmer, Udaipur Raj.

"The response from students was positive when I opened my first Samyak franchise in Kota Talwandi in 2020. The Samyak team provided excellent support, allowing me to see a return on investment in just 4 months. With Samyak's help, business flourished at my second franchise, which I opened in Gumanpura Kota, by October 2021. The response was extremely positive. In Kota Borkheda, I opened my third franchise in 2023. All things considered, my business and success have been greatly impacted by my partnership with Samyak. Recently I open my Fourth franchise at Station Road Kota at 2024.,,"

Ms. Krishna | Kota (4 Branches)
